

BCI Quartzite Rally 2019

By Pam Noonan

Quartzsite is located in southwestern Arizona, just 20 miles east of the Colorado River on I-10. It's been a rock hound's paradise since the 1960s. These days, it's also a mecca to well over a million visitors each year, most of whom converge on this small town in a

wave of RVs during the months of January and February.

At this time of the year, 2,000 vendors of rocks, gems, minerals, fossils and everything else imaginable create one of the world's largest open air flea markets in Quartzsite. Eight major gem and mineral shows as well as vendors of raw and handcrafted merchandise peddle their wares to snowbirds, collectors, and enthusiasts, making Quartzsite is the place to be the first two months of each year.

During 10 days in mid January, Quartzsite is the host to the RV Sports and Vacation Show. Many of the bus conversion groups hold an annual rallies and gatherings during the "BIG TENT" days.
