

Report for the Western GM January 2019 Quartzsite Rally

BY ROBERT PIMENTEL

When the rally started we had a total of 26 rigs, by the time the rally started, the skies cleared and we were a little warmer. At the meet and greet potluck, we were informed that Dave Freedman had mechanical problems and would not be able to attend. Paul Mac Laren started the campfire and some of the brave souls stayed out in the cool night.

Friday was a free day. Saturday we had our general meeting and electing new officers and board of directors. We are looking to have an April rally this year and a rally in the first part of November in the San Francisco area.

The Saturday potluck dinner was well attended. A few folks from the BCI rally joined us. The grand raffle prize of the all fees being paid by the club for the next rally was won by Mike O'Rourke.

Coffee and donuts were served every morning. Thank you Rex Holcomb for volunteering to brew the coffee. At the end of the rally a few of us stayed for the BCI rally potluck on Sunday. The Western GM Coach group is part of the FMCA, there are many benefits to belong, the biggest advantage is that we have insurance coverage for our rallies.

We accept all coaches in our club, even though it
