Reality far outweighs expectations when you come to SkooliePalooza. You think you will go there, see some really cool bus builds and perhaps meet some great people to call friends. Although all of that happens, there is far more that takes place. More than I could have imagined. According to [SkooliePalooza's Facebook Page](#), the final count for Skoolies in attendance for 2021 was 201.

We got to the spot way too early, but like bus life has a way of doing, we didn't have much else to do. We watched as the desert filled with buses in the distance. Circles and lines of buses began

Left side is BCM's YouTube promoter, Harley's bus. You can follow him on Instagram at [Harley1love_](#). Center is BCM Admin Sandy's bus. You can follow this bus on Instagram at [#Buslivin](#). Right side is Steve's bus. You can follow him on Instagram at [Dack_the_Bus](#).
