

Southeast Bus Nuts Post New Year's Rally

By Manny Montesino

SO HAPPY to be Back on the Road Again!

After a year of being “grounded” thanks to COVID, the [Southeast Bus Nuts](#), a chapter of [FMCA](#), we were finally able to hit the road and get together once again. Our post New Year’s rally was held in Florida at a brand new, beautiful, and first-class RV Resort called the Cabana Club RV Resort.

Located in Central Florida, Auburndale to be exact, this resort is just about an hour away from Tampa or Orlando, and just 20 miles from Legoland, 30 miles from Walt Disney World, and 40 miles from Universal Studios. It is also just a little over an hour away from the Gulf Coast or Atlantic Beaches.

Twenty-four coaches attended this rally, with a mixture of MCIs, Provestos, one Flxible, one Buffalo, one Silversides, one GMC, one Eagle, one Newell, one Sprinter Class C, and a few Class A’s. Yes, the Southeast Bus Nuts also welcome Class A’s, Class C’s, Travel Trailers, Fifth Wheels, etc., as long as you are interested in bus conversions, and a member of FMCA.

If you are a bus owner, it doesn’t matter what stage your bus project is in, if you can drive it to a rally you are welcome. There is a wealth of

knowledge among our group and we will help and encourage you any way we can.

We hold at least three rallies a year, in various locations of the SE United States, and we would love to have you join us. You are welcome to attend any of our rallies as a guest if you’d like to meet us and see what we are all about. One thing is pretty much guaranteed – you are bound to have a good time!

It doesn’t seem to matter where we meet up, our group always enjoys getting together. If you are a guest, you will not be a stranger for long. The first night of the rally we typically visit a local restaurant and share a Dutch treat dinner where we enjoy fellowship and catch up with what’s been happening since we’d been together last.
