Flixible Owner's International (FOI) has traditionally hosted a bus rally for Flixible owners and bus enthusiasts of all types every other year, on the even numbered years. The FOI 2020 rally was not immune to the realities of a pandemic and following a postponed 2020 rally, they held this year's historic rally on August 25-29, 2021 in Loudonville, Ohio.

This year's theme was 'Bringing it back to the Home of the original Motor Coach'. The iconic Flixible Clipper bus has been memorialized on the logo of the Family Motor Coach Association and by most accounts is considered to be the original motor coach.

The Flixible Bus Company was founded in 1913 in Loudonville, Ohio, hence why the rally is always held in the historic Village of Loudonville. Loudonville is approximately halfway between Cleveland and Columbus in the northern part of the state of Ohio located amongst the beautiful [Mohican-Memorial State Forest](#).

Fortunately, a very large and accommodating campground, Mohican Adventures ([MohicanAdventures.com](#)) is located just an 1/8th of a mile south of downtown Loudonville and has been the host site for the FOI rally for many years.

Mohican Adventures Campground.

One of the nicest facilities in the campground, is the large conference center and kitchen where most events of the rally are held. The conference center serves as the perfect respite, with cool air

O-SO Pure

Clean Fresh Water
Point of Entry Water Systems

- Portable water filter
- Attaches to garden hose
- Delivers 4 gallons per minute
- 5 micron sediment filters remove small debris to protect water storage and water heater
- Half micron carbon filter removes chemicals and small parasites
- High intensity UV lamp destroys bacteria and viruses
- Clear filter housing aids monitoring of the filter
- Ensures your water is safe to drink in places such as Mexico
